CONTINUING EDUCATION CREDITS

ADA CERP[®] | Continuing Education
Recognition Program

The Great Lakes Association of Orthodontists (GLAO) and the Middle Atlantic Society of Orthodontists (MASO) are ADA CERP recognized provider(s) approved by American Association of Orthodontists.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The Great Lakes Association of Orthodontists and Middle Atlantic Society of Orthodontists designates this activity for up to 8.0 hours of continuing education (CE) credits for doctors and 7.5 hours for staff.

CE attendance forms will be provided to each registrant upon registration. It is the responsibility of individual attendees to submit any necessary continuing education credit documentation to their individual states for verification.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
