Planning for the MAO annual meeting is well underway. The meeting will be held in Ann Arbor, MI on March 13, 2020 with two excellent speakers; Dr. Courtney Dunn and Dr. Christian Groth. The meeting will provide CE for both doctors and staff. This year we are inviting members of the OAO to provide OAO members and their staff a CE opportunity at a convenient location. The MAO is happy to co-sponsor the welcome reception at the GLAO annual session in Ft. Lauderdale, FL. MAO is continuing its resident lunch and learn program with both dental schools in Michigan. We currently have all board positions filled. Our PAC remains healthy and donations to MOESPAC will be emphasized at our annual meeting.
