

August 15, 2021

Members of the Ohio association of Orthodontists,

After a long delay in “in-person” meetings, the Ohio Association of Orthodontists will be having their annual business meeting/luncheon in conjunction with the Cleveland Society of Orthodontists’ fall C.E. session. The meeting will be held on September 24 and lunch will be provided by the Ohio Association of Orthodontists for those who attend the business meeting. Please plan to attend this meeting, if possible, as your voice can help give direction to programs and services you feel most needed. Information regarding the C.E. lectures, schedule, and registration can be found on the CSO website at: csoonline.org.

Sincerely,

Thomas J. Robinson
Ohio Director to GLAO
