

MORE OPPORTUNITIES, ALL IN ONE PLACE

The AAOF recently added the Donated Orthodontic Services (DOS) program under its philanthropic umbrella. We are excited to offer AAOF supporters an easy way to be hands-on volunteers in their communities.

Donated Orthodontic Services (DOS) provides the conduit to connect children lacking access to care with orthodontic treatment. Our goal is to match American Association of Orthodontists (AAO) members with children in need right in their community. Can we count on you?
