

IAO Component Report

The IAO Board of Directors met on January 19, 2022. The Board decided to host its annual membership meeting in conjunction with the Burstone Symposium on Friday, August 12, 2022. IAO members please mark your calendars and watch for an upcoming invitation.

The Board also discussed results of the membership survey that took place during the 2021 membership meeting that was held in conjunction with the 2021 GLAO meeting in Indianapolis on October 15-16 2021. The results indicated most of the membership would prefer receiving communication via email or text.

This fall we will be electing new members to the IAO Board. We would like to engage new leadership for the board and in particular, will be searching for an IAO member to represent the southern district. The duties of this position include attending biannual virtual IAO Board meetings as well as attendance to the annual IAO membership meeting, usually held in the fall. If you are interested in serving on the IAO Board of Directors or have questions, please contact myself @ lrhelms@sbcglobal.net or President, Tasha Hall @ tashahall828@gmail.com.
