

GLAO component report Fall 2022

The Michigan Association of Orthodontists annual session is returning to the west side of our beautiful state! Our annual meeting is scheduled for March 17, 2023 in Grand Rapids, MI. Dr. Jeff Kozlowski will be speaking to both doctors and staff on early treatment, periodontal implications in tx planning impacted canines, self ligation, and appointment/treatment efficiencies. CE will be provided for both doctors and staff.

The MAO is using component legal support from the AAO to assist in ensuring our members' needs are considered in Lansing as the Michigan Board of Dentistry goes through their rules changes. Results of a *call to action* from our members for comments/concerns regarding the is being presented to the Michigan Board of Dentistry.

As always the board members are working tirelessly on representing the needs of orthodontists in Michigan. Please contact me, your GLAO component director with any questions or concerns.

Respectfully Submitted,
Fatima Ahmed DMD., MS
