

April 30, 2018

The Michigan Association of Orthodontists held their annual meeting on March 16, 2018 in Grand Rapids. The meeting was well attended. We enjoyed a presentation from Dr. Christopher Ramsey, DMD on the latest techniques in body language and non-verbal communication and what they mean to the success of our practices. During our annual business meeting we installed our new president, Fatima Ahmed of Ann Arbor, and welcomed a new director, Christian Groth of Oakland County. Jean Driscoll of Lapeer continues to serve as our treasurer, Heather Gietzen of Grand Rapids as our representative to the Council of Michigan Dental Specialties, and John Monticello of Grand Rapids as our ad hoc advisor. Please feel free to contact me with any questions about the Michigan Association.
