

Attract and Retain Top Talent With Benefits from Perfect401(k)

Offering a personalized employee benefits package can help you attract and retain high-quality talent. But when all you want to focus on is your patients and your business, you might think offering employee retirement plans can be expensive or difficult.

Perfect401(k), an AAO-endorsed partner, understands the unique challenges and opportunities faced by orthodontic practices, with plans that are effective and efficient to keep your focus where you want it: on your business. Plus, they offer customized retirement solutions designed for your unique financial needs as an orthodontist.

Key Benefits for Orthodontists

- **Security.** An AAO-vetted and Endorsed Plan provider, Perfect401(k) has fiduciary support, protecting practice owners and plan trustees.
- **Simplicity.** Perfect401(k) provides clear guidance and support to help you navigate retirement plan regulations.
- **Flexibility.** Perfect401(k) offers customizable plans to fit your practice's goals and budget.
- **Cost-Effective.** Perfect401(k) is committed to keeping costs low for AAO members without sacrificing quality.
- **Employee Satisfaction.** A strong retirement plan can boost morale and loyalty, helping you attract and retain top talent.
