

**AAO Council New and Younger Member
Dr. Javen Durham**

Date May 19th, 2026

The inaugural CONYM Pre-Conference Seminar was highly organized and well-executed. While afternoon seminar attendance was lower than anticipated, the evening social event saw excellent participation. This disparity suggests that younger members faced challenges taking time off work on a Thursday. These issues will be taken into consideration for the next New and Younger Member seminar.

The next in-person CONYM meeting is scheduled for February 5–6, 2027, in St. Louis.

Respectfully submitted,

Dr. Javen Durham, DDS
